

Product no **AS20 4449**

Soy protein, HRP conjugated

Product information

Agrisera Western blot protocol

Immunogen | *Glycine max* flour protein extract**Host** | Chicken**Clonality** | Polyclonal**Purity** | Immunogen affinity purified IgY, conjugated to HRP.**Format** | Liquid**Quantity** | 100 µg**Storage** | Store at -20°C; make aliquots to avoid working with a stock. Please remember to spin the tubes briefly prior to opening them to avoid any losses that might occur from material adhering to the cap or sides of the tube.**Additional information** | Antibodies were purified on immobilized soybean proteins.
Antibody is provided in PBS pH 7.2, 50 % glycerol with 0.01 % Thimerosal.

Application information

Recommended dilution | assay dependent**Confirmed reactivity** | *Glycine max* proteins**Predicted reactivity** | *Glycine max* (soybean) proteins**Not reactive in** | No confirmed exceptions from predicted reactivity are currently known
